SPORTSYSTEM Entry Manager

You will require a Broadband connection to the Internet and I would suggest if you are in any doubt about the process you give Alison Fletcher a telephone call on 07866 480604 and she will contact you on your landline and will guide you through the process.

Do not leave the setting up to the last minute – it is better to set the programme up sooner rather than be rushing as the deadline for entries comes close.

If you already have Sportssystem Entry Manager installed on your PC you can move to **Step 2** (although when you are in the Entry Manager Programme you may wish to install any programme updates and also download the latest list of your club's swimmers).

Step 1

Go <http://www.sportsys.co.uk>

Where you will see the following on left hand pane "Entry Manager" → "Download"

Click on this link and on the next page you will see:-

Download the [SPORTSYSTEMS Entry Manager](#) for SPORTSYSTEMS Meet Organisation 5.3

Click on this link and Run the SS20EntryManagerInstall.exe so it installs straight to your PC **OR** download the .exe file onto you PC and then Double Click it to install the programme on your PC.

You may wish to view some of the help videos that are available on the Sportssystem Website.

Step 2

Either from the e-mail sent to you save the attachment AG19_EntryData.sef to your hard-drive or you can download onto your hard-drive by going to <http://www.mdsdpa.org.uk/general/DownloadForms.htm> and click the button below "**Download the Entry File Set (sef file) for Greater Manchester Age Group Meet**" and it has the file name AG19_EntryData.sef You must know where you have saved the file on your hard-drive of your PC.

Open up Sportssystem Entry Manager and go to Entries → Import → Entry File Set and you must then locate the .sef file listed above to be able to link the Entry Manager to the Entry File Set.

NOTE: Do **NOT** try and open the .sef using Windows Explorer – it is **not** designed to be used this way.

Once you have entered all your swimmers with times (saving after every swimmer has been entered) I would suggest going to Reports → Report Entries and print off Boys and Girls entries to ensure they are correct.

When you have completed all your entries go to Entries → Export → Meet Entries and this should say "Entry File Export Completed, return to Organiser" and will give a path name of where it is stored on your computer, it is likely to be at e.g. C:\SPORTSYS\SSEntry\Export\AG19MEET_STRN_20190308-170859.sez where STRN is the name of your club and 20190308-170859 is the date (in reverse order) which is the date/time that you created the export file on your hard drive.

Go into your e-mail system and attach the above .sez file to an e-mail and send to openmeets@mdswpa.org.uk
