RETURN TO THE POOL—IMPORTANT INFORMATION.

We are pleased to inform everyone that we have had notice to return to the pool from Monday 17th August, subject to having enough Lifeguards retrained and qualified.

We would like to thank everyone who has returned their "Return to Training" Form and accepted their hours.

This gives the Head Coaches of Swimming and Water Polo the opportunity to review who has accepted their hours and put you in a "training bubble".

You will have received an email on either 30th or 31st July asking for you to complete a number of forms:

- Health Survey Form
- Members Return to Training Form

We require both these forms to be returned to diane@tswpc.co.uk or adlj@btinternet.com by **Wednesday 5th August at the latest.**

PLEASE NOTE:- If we do not received these forms then unfortunately you, your child/children will not be able to return to training from 17th August, 2020 and will have to wait until Phase 2 of our return when the Government change the guidelines on numbers per session.

We will be sending out more information on the Club Protocols and Guidelines for returning to training and hopefully the training bubbles during week commencing 10th August.

Forms must be returned in order to comply with the Track & Trace process.

MONTHLY PAYMENTS

The Pelican Centre will now be charging the club directly for pool hire.

The increase in cost to the club is quite substantial. Despite this however, we have taken the decision not to make any amendments to the current monthly payment structure but will be reviewing this at the end of October.

With immediate effect all monthly payments to the Pelican Centre have been cancelled.

We will be asking for an initial payment of 50% of your monthly fees on return to the Club for the period 17th August – 31st August.

You will then be required to set up a monthly payment for the 1st of every month (payment in advance) direct to the Club Bank Account.

MEMBERSHIP FEES 2020 - 2021

The club membership year runs from 1st September until 31st August each year.

As the club has been in lockdown since March the Committee have made the decision to give all current members "6 month free membership".

Any future membership fees will therefore be taken in 2021 to cover the period 1st March – 31st August 2021.

MAIN CHANGES ON THE RETURN

All members will have to arrive in their swimwear under their clothes and “towel dry” to go home.

Due to limited seating there will be no spectators allowed unless the child is 8 years and under, only 1 parent will be able to spectate and will be required to wear a face covering.

We thank you for your patience whilst receiving so much information

COVID 19 LIAISON

The club are looking for Covid 19 Liaison volunteers for each group in the club.

Anyone who would be interested in this role or would like more information should email Diane Stafford – adjl@btinternet.com or Danielle Jeffery-Leyland – pinkboogiewoogie@gmail.com.

There will be a “zoom Meeting” on Tuesday 4th August where more information on what will be involved will be given.

SwimMark Essential Health Check

Tyldesley Swimming Club has completed the Swim England SwimMark Essential Healthcheck and has once again been awarded SwimMark accreditation for a further 2 years.

Well done to everyone involved.

A very Happy Birthday to all our members celebrating in August!
