GENERAL NEWS

CLUB PROTOCOLS/GUIDELINES

We would like to thank everyone for adapting to the changes the club have had to make with regards to their Covid-19 protocols/guidelines.

We can understand the concerns that parents have with regards to using the changing rooms to “towel dry” and dress. However when they were at the benches they were not at a 2 metre social distance.

We would like to remind members 11 years and over that face coverings must be worn and all times i.e.

- whilst entering the building
- walking onto poolside or through the changing rooms
- whilst on poolside prior to enter the water
- whilst on poolside after finishing the session and whilst walking to the changing rooms
- whilst exiting the building

I am sure that there will more changes over the next few months, we are not experts, but we are attempting to keep all our members safe at this time.

ANNUAL GENERAL MEETING

The Annual General Meeting of the Club will be held on Wednesday 25th November 2020 commencing at 7.00 pm. As we cannot meet “face to face” the meeting will be held via Zoom.

The Annual General Meeting is held each year to give the club the opportunity to report/recap on

The club are always looking for new people to join the Management Committee. If you would like more information on “what the role entails” then do not hesitate to contact Diane Stafford (Club President) on 07762 135449 or email diane@tswpc.co.uk

More information will be circulated in November via the club website, club newsletter and also everyone will receive an email.
